Great day “at the office” for players taking part in the Nordic Open Golf Day, 3 March 2020. It was a record year for this tournament with 70 players and 18 teams kicking off the comp covering all tee-offs at Moore Park Golf Course. Another 20 guests from the Nordic & Estonian Business Community took part in the post-golf lunch and networking event.

We had a whole range of players taking part from beginners to some very talented players which made the event exciting and fun. The teams played Ambrose, meaning each player hits from the tee-off and then choose the best ball and continue from there with every player again hitting from this spot. The combined strokes are then counted for each team minus the team handicap to calculate the overall Ambrose score.

Even if it was a relaxed day the competition was definitely on and with the help of the Golf app players could follow the interactive scorecards and live leaderboard which added to the competition.

For the first year since the start of this annual competition Sweden took home the trophy with Team Elekta from SACC winning the comp with the following players, Josh Rudolph, David Ly, Jason Bonifacio and Andre D’Souza. The first team received a pair of ECCO golf shoes each, a premium bottle of wine and a pack of golf balls from Glaston. The runner up was team Finland with Harri Onikki, Anssi Paatero, Markku Hakala and Eero Toivainen. The 2nd prize was a backpack each from Fjällräven and a golf cap. The second runner up team was Team Mazars with Matthew Ashley, Carl Bostrom, Steve Dawson and Michael Zahn. Third prize was a hand made glass coffee mug each sponsored by Finnair and a pack of golf balls from Glaston. Big congrats to you all!

The individual prize placement for longest drive went to Brynie Hall and Richard Bullock. Closest to pin went to Megan Andersson and Jason Bonifacio winning rounds of golf at Moore Park and Long Reef Golf Course. Great effort to all!

All players also had a chance to win a brand new Volvo XC60 with a hole-in-one on hole 10. Unfortunately no-one drove the Volvo home this year but a team Elekta player was very close. In addition to the presented prizes we had two randomly picked winners as well, one amongst the participating teams and one of the non-players.

Team Stressless from NACC won a SEO optimising check sponsored by Amire Strategic Digital Marketing and the winner of the non-players was Ida Stenlund-Thorne from Epidemic Sound who won a golf session with a pro.

We were very pleased to welcome the Ambassador of Sweden to Australia HE Henrik Cederin, who participated in the golf tournament in a SACC team together with Mikael Dahlgren Alfa Laval, Slavic Planinic ABB and Michael Luxton Arjo. Katja Karppinen from the Embassy of Finland represented FACC, Danish Connect was represented by their President David McLellan, EACCI by President Marianna Jolla, NACC by President Sophia Demetriades Toftdahl and SACC by President Jan Gardberg. Thank you for your support and contribution to making this event happen.
